Dear Mr.

ADOPTION & DEFINITION OF A MAINTENANCE MANAGEMENT PLAN IN TERMS OF THE NATIONAL ENVIRONMENTAL MANAGEMENT ACT, 1998 (ACT 107 OF 1998) AND THE ENVIRONMENTAL IMPACT ASSESSMENT REGULATIONS, 2014 (AS AMENDED): THE PROPOSED PERIODIC MAINTENANCE OF TRUNK ROAD 16/8 AND TRUNK ROAD 16/9 BETWEEN MURRAYSBURG AND THE NORTHERN CAPE BORDER

The adoption of the Maintenance Management Plan (MMP) issued on the 28th of November 2023 for TR16/8 and TR16/9 between Murraysburg and Northern Cape Border refers.

As required in condition 4.1 of the MMP adoption, we accept the conditions of the MMP with the exclusion of condition 7, please refer to extract below, as this is not related to the works proposed for TR16/8 and TR16/9 between Murraysburg and Northern Cape Border

"The Holder must appoint a suitably experienced Environmental Site Agent ("ESA") or Control Officer ("ECO") for the duration of each maintenance project related to the rehabilitation of erosion as a result stormwater runoff and the repair of damage to existing boardwalks and staircases along the foredune".

Thank you for your assistance to date with the environmental authorisation as well as the MMP adoption.

Yours sincerely
