Dear Jessica,

Hope you are doing well.

Attached to this email please find San Marino's notification of commencement. Zostera rhizomes and Seahorses (if there are any) will be rescued prior to the start of the 2023 Easter Holidays, where the physical riverbank maintenance activities will commence after the 2023 Easter Holidays in accordance with the EA and EMPr.

The notification letter has also been uploaded to DEADP's online portal, please see the screenshot below.
