Dear Sir

**COMPLIANCE MONITORING WITH THE ENVIRONMENTAL AUTHORISATION FOR THE
PROPOSED RESIDENTIAL DWELLING ON ERF 4716, GREAT BRAK RIVER**

1. The above-mentioned matter, the Environmental Authorisation issued on 24 March 2023 in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) ("NEMA") and the compliance monitoring site inspection held on 7 September 2023 attended by Ms. Jessica Christie and Mr Francois Naudé from the Directorate: Development Management (hereinafter referred to as "this Directorate") and the monthly ECO reports submitted by your Environmental Control Officer, HillLand Environmental, refers.
2. It was noted during the compliance site inspection that the construction activities are still ongoing. During the aforementioned site inspection, it was found that compliance with the EMPr and the EA is being complied with. In addition, it is noted from the ECO reports that compliance is being observed by the ECO.

You are commended on ensuring that the conditions of the abovementioned decision have been complied with thus far. On-going compliance with the environmental authorisation and EMPr is encouraged.

3. The Department reserves the right to revise initial comments and request further information based on the information received.
