1136 - Erf 4716, Groot Brakrivier, Mossel Bay - Notification of completion

Good day,

DEA&DP Ref: 16/3/3/1/D6/17/0020/22

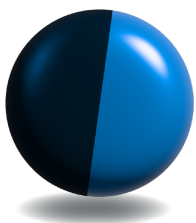

This email serves to notify the Competent Authority in writing that the main construction activities are now complete (Condition 9 of the EA). The contractor is, however, still busy completing the final SNAG items. The final ECO monitoring report will be submitted in due course.

Please do not hesitate to contact us if you have any questions.

Many thanks.

Kind Regards/Vriendelike Groete
