Dear Olga

In line with the EMP (Environmental Management Programme) it is said that the EMP must form part of the contract documentation between the Owner of the Construction Site (Rhinos Asset Holdings Pty Ltd) and all its contractors.

The Document attached (EMP) needs to be part of the tender process between the Owner and the Principal contractor and other contractors that will be working directly for the Owner. .

We need to provide Proof that the EMP is part of the Contract documentation between The Owner (Rhinos Asset Holdings Pty Ltd) and the Principle Contractor (Pepper Pod Pty Ltd).

Would it be possible to please forward the agreement that you have between the two parties, this must show that the EMP has been included.

Attached please find the EMP. This email is deemed proof that the EMP has been sent from Rhinos Asset Holding Pty Ltd (The Owner) to Pepper Pod Pty Ltd (the Principle contractor).

Should you require any further information please do not hesitate to contact me.

Kind Regards
