Dear Mr van Rensburg

**COMPLIANCE MONITORING OF THE CONDITIONS OF THE APPEAL ENVIRONMENTAL
AUTHORISATION GRANTED FOR THE PROPOSED RESIDENTIAL DEVELOPMENT ON A PORTION OF
THE FARM VAALE VALLEY 219, MOSSEL BAY (HARTENBOS LANDGOED PHASE 2)**

The Appeal Environmental Authorisation ("EA") granted on 18 August 2009 and a compliance monitoring site inspection conducted by the Department of Environmental Affairs & Development Planning on 4 June 2021 and the Environmental Audit Report received on 29 June 2021, refers.

It is noted from the Environmental Audit Report received on 29 June 2021, that the inability to obtain certain documentation had the effect that a clear indication of compliance with conditions of the Environmental Authorisation could not be provided.

You are herewith advised to ensure compliance with the conditions of the EA and requested to provide proof of compliance with the relevant conditions of the EA in respect to the residential development on a Portion of the Farm Vaale Valley 219, Mossel Bay (Hartenbos Landgoed Phase 2).

Yours faithfully,

ANTON BREDELL
